SUMMARY

Bachelor of Information Science (Hons.) student majoring in Information Content Management at Universiti Teknologi MARA (UiTM). Skilled in digital content management, information organization, and data analysis, with a strong interest in information systems and process improvement. Active in university organizations as an emcee, program director, and committee member, demonstrating leadership, communication, and teamwork abilities. Seeking opportunities to apply academic knowledge and practical experience in information management, digital content, or data-driven environments.

WORK EXPERIENCE

Internship (One Stop Centre Department) Majlis Perbandaran Port Dickson (MPPD) 22 July 2025 - 13 Sept 2025

- Organized and categorized project files using departmental filing codes to ensure systematic record-keeping.
- Processed and routed incoming official correspondence to maintain efficient workflow within the OSC department.
- Designed visual presentations and slides for the council's Monthly Assembly (Perhimpunan Bulanan).
- Participated in inter-departmental meetings and collaborated with staff to support project coordination and municipal operations.
- Ensured data integrity by maintaining the physical filing systems for development applications.

Religious Class Teacher (Part Time) During Semester Break

- Taught students aged 7–12 in core Islamic subjects, including Akidah, Ibadah, Sirah, and Adab.
- Instructed students in Jawi literacy and Tilawah Al-Quran, focusing on correct pronunciation and reading fluency.
- Developed engaging lesson plans to simplify complex religious concepts for primary-level learners.
- Evaluated student performance through regular oral assessments and practical worship (Ibadah) demonstrations.
- Maintained a structured classroom environment to foster discipline and moral character (Adab) among students.
